WHY NO COW?

For environmental & ethical reasons we are minimizing our use of cows milk. (Yes, we still serve eggs & bacon,
but this is one of the small steps we feel we can take towards being more sustainable!)

SPROUD is a creamy plant based drink made from yellow peas, sustainably grown in Canada and Europe.

No lactose, no gluten, no soy, no GMO, low in sugar and fat..the list goes on!

We use **SPROUD** in and with our hot drinks, but we have a great selection of other plant based drinks as well,
such as oat, soy, coconut & almond.
